Excalibur Academies Trust

Secondary Admission Policy for John O'Gaunt School

2022/2023

Introduction

Excalibur Academies Trust ('Excalibur') is an all-through Multi-Academy Trust (MAT) that places high emphasis on developing a coherent and continuous learning journey from 2-19. This is achieved by Excalibur Secondary Academies working in close harmony with linked Excalibur Primary Academies.

Excalibur is the Admission Authority for all its Academies and applies strict Oversubscription Criteria to all applications reflecting this.

Excalibur, acting as the Admissions Authority for The Academy, participates in the Local Authority Coordinated Admissions Scheme; all applications for normal entrance to The Academy (Year 7 for Secondary School) and all in-year admissions and transfers should be submitted via the Local Authority Coordinated Admissions scheme¹

This Admissions Policy applies to John O'Gaunt School ('The Academy') details of which are given below:

Applications

Applications for Normal Entrance to an Academy

Children will start Secondary Education in the academic year (1st September to 31st August) in which they have their twelfth birthday (they will be eleven on 1st September in the year of entry).

There are NO automatic entries from a Primary School into Secondary, nor from Secondary into Sixth Form and there is NO automatic offer of a sibling place (a place for a brother or sister). Therefore, an application must be made for a school place for each child.

Applications (either online or paper) can be made from 1st September through the Local Authority www.westberks.gov.uk. The closing date for receipt of applications by the Local Authority is midnight on the National Deadline date confirmed in the Academy Application and Admission Timelines Section of this policy. Any application received after the National Deadline will be treated as a Late Application.

The Admission Authority will determine and publish how many children it will admit into Year 7 in September – this is the PAN (Published Admission Number) for that Academy. Should the Admission Authority decide it can offer more than the PAN in any one year, information will be posted on the website of the Academy and the Local Authority will be informed. Parents/carers will be notified of the outcome of their application by the Local Authority, which will be posted on the National Offer date confirmed in the Academy Application and Admission Timelines Section of this policy. Offers for a place at an Academy will need to be accepted within 2 weeks of posting of the notification letter.

Admission of children outside their normal age group

Parents of children who have experienced problems or missed part of a year, for example due to ill health, can seek places outside their normal age group. Such applications will be considered on the basis of the circumstances of each case, taking into account the child's academic, social and emotional development. Parents have a statutory right to appeal. This right does not apply if they are offered a place in another year group at the school.

Right of Appeal

If an application is not successful, the applicants have the right to appeal against the decision to an independent panel. Appeals should be made within 20 school days and addressed to the Appeals Clerk % the Trust's Admission Authority at admissions@johnogaunt.excalibur.org.uk

Waiting Lists

When an application has been unsuccessful, a child's name will be added to a waiting list for the Academy held by the Admission Authority. Children on the waiting list are ranked in order with reference to the Oversubscription Criteria. The position on a list will be determined by applying the Oversubscription Criteria and not by date order of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the Oversubscription Criteria. Waiting lists for all year groups will close on the last day of the academic year in which entry has been applied for - at which time they will be cleared. Places that become available will not be offered to children who are not on the relevant waiting list. Offers will be made when a place becomes available. If your child is offered a place from a waiting list, then you must accept or decline the place within 10 working days of the date of the offer.

All applicants have the right to appeal against any refusal of a place. The existence of a waiting list does not remove this right from any unsuccessful applicant. A fresh application can be made for a place for the next academic year group, but this will not be considered before 1st May (Term 5).

Other Applications (Years 7 and 8 to 11)

Applications for a school place which are not for Normal Entrance into the Academy or which are Late Applications (Applications which were submitted after the National Deadline) are determined as follows: -

- a. **Immediate Admission** - applications for an immediate start, e.g. moving into the Catchment Area of the Academy by transferring from another school. The Application should in the first instance be made to the Local Authority who will pass the application to the Admission Authority. The application will be considered by the Admission Authority using the Oversubscription Criteria as specified in this Policy. The Local Authority will aim to notify the parents of the outcome of their application in writing within 10 school days and are legally required to do this within 15 school days.

- b. **Future Admission** - applications for admission at a future date. Applications are made using Admissions Form A (available from the Academy website). Applications will be considered by the Admission Authority using the Oversubscription Criteria in this policy at the earliest date they are eligible for consideration which is two terms (6 per year) in advance of the requested admission date. If an application is unsuccessful the child will be placed on the waiting list for the year group applied for using the Oversubscription Criteria in this policy.

If admission is refused, parents have the right to appeal as detailed above in the 'Application for Normal Admission to an Academy' section.

Applications to the Sixth Form College

The Academy does not have a Sixth Form Facility, but it is envisaged that there will be sufficient spaces available at St John's Marlborough Sixth Form College for all students completing Year 11 at the Academy.

Oversubscription Criteria

The Criteria are listed below in the priority order applied to applications when there are more applications than available places.

Priority will be given within any of the below oversubscription criteria to the applicant whose permanent home address is nearest to the preferred school. Distances will be measured using the West Berkshire Admissions Geographical Information System taking a straight line between the home address and the school using the unique property identification points within the National Land and Property Gazetteer (NLPG).

Children with Special Education Needs (SEN) or Education, Health and Care (EHC) Plan - All children whose Education, Health Care Plan names a school must be admitted.

1. **Looked After Children** or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted.
2. **Children who have exceptional social or medical needs**, supported by a written recommendation from the child's paediatrician/consultant, general practitioner or specialist to show that it would be detrimental to the child not to be admitted to the preferred Academy. The letter must explain why the school is the only suitable school to meet the child's needs and why no other school could provide the appropriate support for the child. All supporting evidence should accompany the original application or submitted by the deadline for exceptional circumstances supporting evidence.
3. **Students attending a linked academy or living in the catchment area.** Priority will be given to siblings.
4. **Siblings:** of pupils on roll and who will continue to be on roll in the following academic year.
5. **Children of Excalibur employees employed at the academy** on a permanent, minimum 40% Full Time Equivalent contract with the Trust for two or more years at the time at which the application for admission is made or who have been recruited to fill a vacant post for which there is a demonstrable skill shortage.
6. **All other applicants**

Glossary and Definition of Terms

Adopted - This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders).

Catchment Area - The address which determines whether a child lives in the Catchment Area of the Academy, is the place where he or she is ordinarily resident at the deadline for applications, and they are anticipated to reside at upon admission.

The Catchment Area has been inherited from West Berkshire Council covering part or all of the wards and/or parishes of the following areas: Coombe, East Garston, Fawley, Gt Shefford, Hungerford, Kintbury, Lambourn, Lower Green represented in the catchment map. In the event that a catchment boundary line runs through a property boundary, the unique property identification points with the National Land and Property Gazetteer (NLPG) will be used to determine which school catchment area the property falls within. The West Berkshire Council website has an automated facility for parents to check which school catchment area they are in and the unique property identification points are used to inform which catchment a property falls within.

A map of the catchment area is available [here](#).

Final Year - The Final Year of a secondary school is year eleven.

Home Address - The child's permanent home address is where he or she lives with his or her legal parents/carers and are living at the closing date for applications in the normal admissions round (31 October). Future addresses must not be used on the application form. Where parental responsibilities are shared and the child/children live at both parent's addresses, either address will be considered the permanent home address, but only one address can be used on the application form and only one application can be made for each child.

Looked After Children - A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear to the admission authority to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).

Sibling - Siblings are defined as children who live as brother or sister in the same house, including natural brothers or sisters, adopted siblings, stepbrothers or sisters and foster brothers and sisters. Note there is no guarantee that a younger sibling will obtain a future place in the same school as his or her brother or sister.

Tie Breaker - When two or more children with the same priority for admission live exactly the same distance from the preferred School, the available places will be decided by random allocation (casting lots) by an independent person, except when the children are twins or from the same multiple birth, in which case their applications will be treated as a single application and the twin or other children of the same multiple birth will be admitted as supernumerary (above PAN without in effect increasing PAN). This would also apply to a brother or sister born in the same academic year.

Linked Academy - An Excalibur Academy may have one or more other Excalibur Academies that immediately precede it in terms of educational phases, these are to be regarded as its 'Linked Academies'. For example, a secondary Excalibur Academy may have linked secondary, primary and/or junior Excalibur Academies; a primary Excalibur Academy may have linked Excalibur pre-schools. All Linked Excalibur Academies must be part of Excalibur Academies Trust.

Schools that join the Trust to become an Excalibur Academy after this policy has been determined but before the relevant Application Deadline are to be considered as Linked Excalibur Academies for the purposes of admissions.
